

## Edition 29

### Make sure you are counted! Moore County Census will begin March 1st.

The census is more than just a head count—it can shape many different aspects of Moore County. Results are used to help determine:

- How more than \$400 billion in federal funding is distributed to states and communities. These funds are spent on schools, hospitals, roads, public works and other vital programs.
- The number of seats each state gets in Congress.
- How state and local officials draw boundaries for congressional districts, state legislative districts and school districts.

In preparation for the March mailing, community meetings have been scheduled in the next few weeks for the public to learn more about the census, including job opportunities:

- Wed, Feb. 5, 10-11 a.m., Moore County Ag Center, 707 Pinehurst Ave. in Carthage;
- Thu, Feb. 6, 12-7 p.m., Northern Moore Family Resource Center, 116 Horner St. in Robbins
- Tue, Feb. 11, 6-7 p.m., Pinebluff Town Hall, 325 E. Baltimore Ave. in Pinebluff; and
- Thu, Feb. 13, 6-7 p.m., Crains Creek Fire Dept., 4525 Lobelia Rd. in Vass.

It's critical that you're counted. By April 2020, households will receive an invitation to participate in the census. You'll then have three options to respond:

1. Online (for the first time!)
2. By phone
3. By mail

If you are filling out the census for your household, you should count anyone who is living there as of April 1, 2020. This includes anyone who is living and sleeping there most of the time. Get details on how to count young children and how to handle special circumstances [here](#).

The Moore County Planning Department has been tasked with working with the US Census Bureau to increase awareness of the 2020 Census and increase census participation.
