Upcoming Vote for 1/4 Cent Sales Tax

There will be a voter referendum on the ballot on November 6th. The ballot question will be:

Local Sales and use tax at the rate of one-quarter percent (0.25%) in addition to all other State and local sales and use tax.

This 1/4 cent sales tax will remain in Moore County and the revenues generated by the sales tax will support education by funding capital construction projects to address capacity and to replace existing aging structures.

We want everyone to be aware of the referendum and informed for voting.

More information can be found at www.moorecountync.gov/salestax.
